Ambient lighting

Organic mirrors with an edge screen-printed frame in different colors. Frameless, and smoothly polished edges to create a "free-floating effect" on the wall.

This screen-printed perimeter edge emulated visually the metal decorative frame, making it lighter in volume and weight, matching the rest of the accessories in the space.

Espejo de formas orgánicas que ofrece una iluminación ambiente, resaltando su borde serigrafiado en colores personalizables. Sin marco, con cantos suavemente pulidos para crear un "efecto volado" sobre la pared.

Este borde perimetral serigrafiado sustituye visualmente al marco decorativo metálico, aligerándolo en volumen y peso, permitiendo ir a juego con el resto de accesorios del espacio.
